

Why watch?

1. Practical applications of AI
2. Terrible photoshop (slide 5)
3. The one secret trick for getting dozens of survey responses free (UserInterviews hates this!)
4. Tooling recommendations
5. Make Sam happy
6. Dumb jokes
7. Get the actual pitch

"I've seen too many pitches and decks from consultants to count. This was easily top 3, if not the best I've seen...I'm blown away by how well you guys understand our business and customers. We need to hire [you]."
