

Targeting and Building Clear On-Ramps, from Awareness to Consideration

Top-of-Funnel Pathways

Reaching specific segments of users requires specific positioning, like an explanation and incentive to choose GOHUNT over alternatives, or a page that helps new hunters understand the value of a product like GOHUNT. Combine existing content with new, targeted messaging that better attracts and positions the value of GOHUNT for an expanded audience.

TARGETED REVENUE IMPACTS

- Web conversion rate
- New users
- Share of wallet

INCREMENTAL WINS
