Bring Offline Interactions into the GOHUNT Experience

Multiplayer Hunts

Your users are already finding ways to use GOHUNT to help plan group hunts. Why not make that an easy, clear, and own-able experience? Taking some of the administration work out of coordinating a group hunt not only builds a stronger association between GOHUNT and the magic of hunting, but also enables your power users to recruit the next wave of subscribers for you, again and again.

TARGETED REVENUE IMPACTS

- Increase loyalty
- Drive new subscribers
- Upsell / cross-sell opportunities

INCREMENTAL WINS

- Calculated group draw odds
- Plan / calendar sharing
- Gear recommendations / referral
